) Case No. C06-07339 MJJ

)
) **DECLARATION OF HENRY I.**
) **BORNSTEIN IN SUPPORT OF**
) **[PROPOSED] AMENDED**
) **REVISED STIPULATED**
) **PROTECTIVE ORDER**

1 I, Henry I. Bornstein, hereby declare:

2 1. I am an attorney duly admitted to practice law in the State of California and in this
3 federal district. I have personal knowledge of the facts stated herein, and if called as a witness, I
4 would and could testify with respect thereto.

5 2. I am Of Counsel to the law firm of Lovitt & Hannan, Inc., counsel for Defendants K-
6 M Industries Holding Co., Inc.; K-M Industries Holding Co. Inc. ESOP Plan Committee and CIG
7 ESOP Plan Committee (collectively, the "Corporate Defendants.")

8 3. I submit this Declaration in support of the concurrently-filed [Proposed] Amended
9 Revised Stipulated Protective Order.

10 4. The Corporate Defendants have begun a rolling production of the electronically
11 stored information ("ESI") of the Corporate Defendants in response to the Plaintiffs' Rule 34
12 document requests and expect to soon produce substantial amounts of ESI. In accordance with the
13 agreement between Plaintiffs and the Corporate Defendants, this production is being made in the
14 ESI's "native format."

15 5. After investigating this issue, I have learned that there is no practical way using
16 current technology to label electronic files produced in native format as Confidential on a "page-by-
17 page" basis, as is required by paragraph 5.3(a) of the Revised Stipulated Protective Order for
18 information produced in documentary form, and that electronic files can only be designated on a
19 "per file" basis.

20 6. In order to have a clear statement of the procedure that the parties should follow
21 when designating ESI as "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL – ATTORNEYS'
22 EYES ONLY" under the Protective Order, the Parties have agreed to propose a new paragraph
23 5.3(d) that deals specifically with the designation of ESI under the protective order by allowing
24 designations to be made on a "per-file" basis for electronically stored information (ESI) being

1 produced in its native format and establishing an agreed-upon uniform labeling convention for such
2 designations.

3
4 I declare under penalty of perjury that the foregoing is true and correct. Executed at San
5 Francisco, California this 25th day of October 2007.
